OFFICE BULLETIN

MARCH 5, 1984
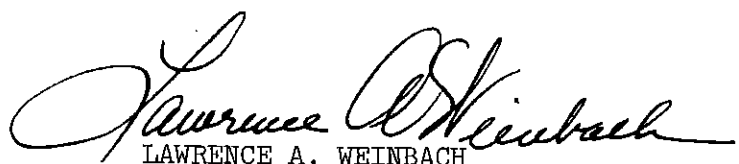

TO: ALL METRO NEW YORK PERSONNEL

SUBJECT: JOSEPH J. DioGUARDI

Joe DioGuardi has decided to leave the Firm effective March 31, 1984 to seek elective office in Congress. As you know, several years ago the Firm instituted a program designed to assist partners desiring to enter public service, and Joe will be withdrawing from the Firm under this program. Joe is enthusiastic about responding to the opportunity for public service, and strong indications of support for his candidacy underscore Joe's leadership qualities.

Joe joined the Firm in 1962 after graduating from Fordham University and was admitted to partnership in 1972. He has distinguished himself in the profession and the community in the areas where he has had Firmwide responsibility, namely, tax aspects of not-for-profit organizations, the public sector and charitable giving. Joe has also made significant contributions in the New York office tax practice in the healthcare and real estate industries.

Over many years, Joe has established an excellent record of community involvement and service--as a Trustee of a New York State taxpayer "watchdog" group, Citizens Public Expenditure Survey Foundation; Member of the Industrial Development Agency of Westchester County; Director of the Phoenix House Foundation, the highly respected drug rehabilitation organization; and President of the Wilmot Woods Association of New Rochelle--among many others. His candidacy for the 20th Congressional District, comprising most of Westchester County, promises to be a logical extension of Joe's professional career and his active involvement in community, civic and charitable life. The Firm is pleased to have one of its partners in this situation.

Joe has been with the Firm for 22 years and our thanks go to him for his many contributions to the growth of our tax practice. I know each of you joins me in wishing Joe and Carol much success in this new and exciting endeavor.
